

Personal Possessions policy

This policy sets out the guidelines regarding personal possessions brought onto club premises by members, guests, and staff. All individuals are responsible for the safekeeping of their own belongings while attending club activities or events. The club cannot accept liability for loss, theft, or damage to personal items, except where negligence on the part of the club is proven.

Members are advised to avoid bringing valuable items to the club unless absolutely necessary. Where possible, personal possessions should be kept on your person or stored securely using any lockers or designated storage areas provided by the club. Any lost property found on the premises should be handed in to a club official and will be retained for a reasonable period before disposal.

By entering the club, all individuals acknowledge and accept the terms outlined in this policy. Any queries regarding personal possessions should be directed to the club management team.
